Autobiographies Of Rotarians Here Is Meeting Subject

Local Rotary Club members
Wednesday noon learned more
of three others when the group
heard thumbnail sketches of three
members.

Clyde Grice, manager of the
Mid-West Co-Operative Oil Mill,
was first. He came here from
Rule, a Baptist, Mason, Shriner
and served on the school board
for 20 years. He has 1,000 acres
in cultivation and 1,000 in pas-
ture, is six feet one inch tall and
weighs 230 pounds.

Dr. W. C. Weir, was next, tel-
ling of several childhood experi-
ences of his. He was born in
Arkansas and later moved to
Texas, farmed, taught school and
studied for his M. D. degree in
Baylor University Medical College
at Nashville, Tennessee and at
Vanderbilt University and holds a
total of eight years credit. He
served in World War I, five years
and was married during that
time.

Last sketch was by Arthur Al-
britton who was born in North
Louisiana, Downsville. His par-
ents were farmers and he told of
his father buying a horse gin and
converting it to a steam gin. He
married in 1901 and farmed
120 acres in Louisiana until 1906
when he moved to Hamlin.

Orvel Kelley had charge of the
program and Hollis Madden was
a new member.

There were four visitors from
Abilene and one from Stamford.

Fry Completes Repair To Cafe Premises

Loy Fry utilized the holiday
lull to make repairs to the prem-
ises of the Limit Cafe.

A modern design of counter
covering was installed and other
kitchen improvements instituted.
Fry returned Wednesday from
Dallas after a treatment was
completed for Mrs. Fry at Baylor
hospital. Fry was enthusiastic in
his praise of the new facilities
provided in Dallas' new medical
institution.

Scouts and Dads To Convene at Abilene

Hamlin's Boy Scout troop has
completed plans to attend a con-
clave of troops throughout the
Council which is scheduled for
Tuesday night at Abilene. The
groups will gather at the Rose
Field House at Hardin-Simmons.

Tom Vaughan, chairman of the
Dad's Club which sponsors the
Hamlin Scout activities, informed
The Herald that all of the
Chisholm Trail Council will be
represented with Scouters, par-
ents and friends and a banner at-
tendance is anticipated.

Each patrol will carry lunches
and individual tables will be as-
signed to permit individual group-
ing.

Renewed enthusiasm is evident
in local Scout circles and a full-
scale program is being formu-
lated for the year by Scoutmaster
Orville Kelly and his charges.

Huchingson Attends Administrators Meet

Superintendent I. R. Huching-
son left Hamlin Tuesday morning
for Austin to attend a school ad-
ministrators' meeting.

He will return to Hamlin for
resumption of his duties in the
local school system Friday.

Slip trouble may follow de-
horning, particularly in older cat-
tle.

J. M. McDonald Company Announced As Purchaser of Bryant-Link Stores

J. M. McDonald Company, oper-
ators of department stores in the
central plains states, has purchas-
ed the Bryant-Link Department
Store here and has taken over
supervision of the store immedi-
ately. R. B. Bryant, Chairman of
the Board of the Bryant-Link Co.,
announced. The McDonald com-
pany expects to continue opera-
tion of the newly acquired unit
with little change except in store
name. Bryant-Link personnel will
remain in McDonald's employ. John
C. Bryant will continue as man-
ager of the Hamlin store.

Headquarters and warehouse
of the J. M. McDonald Company
are located in Hastings, Nebras-
ka. The company was establish-
ed in Holdrege, Nebraska, in
1914, and has been in continuous
operation since that time. The
firm derives its name from J. M.
McDonald, Sr., Chairman of the
Board of the McDonald Company.
Acquisition of Bryant-Link stores
in Stamford, Hamlin, Snyder and
Lamesa, Texas, and Carlsbad,
New Mexico, brings the total of
units operated by the McDonald
company to 56. Other stores of
the group are located in Nebras-
ka, Iowa, Kansas and Colorado.

McDonald's relies on large scale
buying, efficient operation and a
sales-for-cash policy to bring its
customers the nation's leading
values in merchandise for the
home and clothing and shoes for
the family.

J. M. McDonald Company offi-
cials recognize the excellent re-
putation established by the Bryant-
Link company during its 66 years
in business and have set as their
goal the continuation of the high
type of service which has helped
to make Bryant-Link leading as
merchants in Hamlin.

R. D. (Dick) Moore Passes Suddenly

Residents of Hamlin grieved at
the news of the sudden passing of
R. D. (Dick) Moore at 3:00 p. m.
Saturday after suffering a heart
attack. Moore was believed to
have improved from an attack of
the previous day when he was
stricken at his home here.

Moore had suffered recurrent
attacks for about a year and one
half and had been forced to cur-
tail his activities for several
months prior to his death.

Dick Moore was a registered
Hereford stock breeder and had
extensive farming interests in the
immediate vicinity of Hamlin.

Funeral rites were held at 2:30
p. m. Sunday from the First Baptist
Church of Hamlin with the
Reverend Henry J. Littleton of
Lueders officiating. Burial was
in the East Cemetery under the
direction of the Barrow Funeral
Home.

R. D. Moore was born Novem-
ber 26, 1893, in Bruceville, in Mc-
Lennan County, and moved to
Hamlin with the family of his
father in 1906 and he was one of
the first children to attend school
in Hamlin.

He was married to the former
Tennie Barnett on May 14, 1929,
and continued to make his home
in Hamlin until his death.

Dick Moore was the son of the
founder of Hamlin. His father
developed the site of the city on
a land patent which had been
obtained by his father just follow-
ing the Civil War. The land pat-
ent embraced 3,498 acres of land
which had to be identified by sur-
veyors before boundaries could be
marked and R. D. Moore, Sr. was
forced to defend his title in fre-
quent litigation.

Dick Moore was a staunch fol-
lower of his convictions and his
friendship was sincere and time-
tested.

Survivors include the widow, a
brother, Fred B. Moore, of Ham-
lin; and three sisters, Mrs. T. F.
Mayfield of Bruceville; Mrs. C. S.
Carver of Hillsboro, and Mrs. L.
M. Hardy of Stamford.

Earliest record of the use of
the word garage in the English
language seems to be in 1903.

Ju Jitsu (Japanese jujutsu) is
means "soft art", ju meaning soft
and jitsu meaning art.

Announcing the opening of a
new grocery store and market
was made late this week by Mr.

of Paducah.

An ad by the firm, A. H. Smith
Grocery, is located two blocks
north of the Katy railroad on the
Aspermont highway.
Store hours will be from 7:30
a. m. to 8:00 p. m.

Coffee, doughnuts will be serv-
ed all day Saturday and treats
will be given the kiddies.

2:00, 3:00, 4:00 p. m. Other par-
ticulars may be had at the store.

Pipers Take Roscoe In First District Go

The Pipers of Hamlin High
school registered an upset victory
over the Roscoe Plowboys in the
first district encounter for either
basketball team Tuesday night.

The Hamlin quintet played on
the Roscoe court and were doped
to fall before the Plowboy five
which features a pair of sterling
performers in Hunter and Pointer
and a smooth all-around attack.

Coach Vernon Townsend based
his victory chances on a man-to-
man defense for this cage battle
and assigned to Asa Goodgame the
task of guarding the high-scoring
Archie Hunter. Goodgame respon-
ded with one of the best ef-
forts of his career and was high-
point man in the 37-30 Hamlin
victory.

Don Rowland reverted from his
usual shooting game and confin-
ed the major portion of his ef-
forts to control of the ball from
the backboards with gratifying
results.

As a curtain raiser to the var-
sity classic, Coach Bob Nunley
sent his B team charges against
a like team from Roscoe and the
Hamlin squad was not so fortu-
nate as their elder brothers. Ros-
coe's five held a four-point mar-
gin when the final gun sounded,
25-21. H. Vest, newcomer to the
athletic teams of Hamlin, came
off the floor with high point hon-
ors for the night, however, with

Hamlin Woman Hurt In Highway Accident

Lillie Dutton of Hamlin, own-
er of a beauty parlor in Anson,
was painfully injured in an auto-
mobile collision Tuesday near the
north city limits of Anson.

A car driven by Albert Moss of
Stamford was reported by high-
way officers to have skidded into
the pathway of the Dutton car.

She was treated at Hendrick
Memorial Hospital for two broken
knee caps and facial lacerations
as well as chest injuries.

Cut of Star Route Pares Mail Service

Postmaster Perry Sparks has
announced that the Star Route
transmission of mail from Abilene
has been discontinued as an eve-
ning service to Hamlin and the
mail patrons of the city are thus
limited to one receipt per day.

The former pickup of afternoon
mail from Anson went into the
realm of past history as a result
of a department directive effec-
tive January first.

Hamlin will continue to receive
the morning mail which arrives
on the morning train and after-
noon mail is dispatched as a Star
Route pickup into Abilene.

The afternoon pickup permits
the Hamlin postal system to con-
tinue its airmail status without
interruption.

Capt. McCarver Is Speaker to Lions

Captain Billy McCarver came
to the Hamlin Lions Club Tuesday
with an inspired message regard-
ing the Korean situation and dis-
closures made to the club were
spellbinding in their nature.

McCarver has achieved national
notoriety for the sincerity of
his remarks following his return
from duty in the Korean cam-
paign early in the hostilities. His
description of the tremendous
odds which confronted American
troops at the outset of the cam-
paign brought a new viewpoint
to the members of the club.

According to McCarver, the Red
forces in Korea have forsaken all
religious symbols, both Christian
and pagan, in favor of the great
god Stalin, and the Russian pre-
mier is worshipped fanatically by
a tremendous following.

Knowledge gained while he was
a prisoner of the Reds brought
an enlightenment as to their
plans for the future. The Russian
directors of the campaign at-
tempted to convert McCarver to
communist beliefs with the in-
tent of using him for propaganda
purposes and did not hesitate to
boast of their aims toward our
downfall.

Final summation of the speech
brought a plea that we are engag-
ing a fanatical people and that
it was high time that we become
fanatical ourselves in retaliation.

Bill Harbert attended the club
meeting as a guest of Dr. Joe Mc-
Crory.

1950, were 25,191 compared with
21,568 for same week in 1949.
Cars received of connections to-
taled 12,448 compared with 9,033
for same week in 1949. Total
cars moved were 37,639 compar-
ed with 30,421 for same week in
1949.

Santa Fe handled a total of
38,008 cars in preceding week of
this year.

Fighting Faculty Faces Fast Fray

On the eve of the crucial battle
for supremacy between the Ham-
lin High school Pipers and the
self-designated Fighting Faculty,
both camps were issuing bulletins
of assured victory in the basket-
ball game to be unfolded tonight.

When the curtain rises on the
battle of a century spokesmen
for the faculty five have assured
the press that such peerless per-
formers as Point-a-Minute Huch-
ingson, Bounding B. Newberry,
Iron Man Chalcraft and Stretch
Eades are in the best shapes of
their outstanding careers and the
Pipers are going to have to score
points in the three-figure bracket
to provide contention.

The varsity for the high school
counters with the suggestion that
they make their shots from at
least mid-court to make the game
an even-up contest. The school
quintet is also considering lower-
ing the baskets to waist level to
permit Coach Burditt to roll the
ball off his waistline into the buc-
ket.

Experts are divided in their
predictions as to the outcome but
a serious blow was dealt to the
faculty club when a committee
ruled that the "teachers" must
confine their lineup to an all-male
ensemble. Underground reports
were that the Misses Sullivan and
Whitehead had been approached
with a petition to aid the faculty
five.

Starr Inzer Plans All-out Campaign To Raise Hamlin's Share in March of Dimes

Starr Inzer, chairman of the
March of Dimes fund drive for
Hamlin, which is to get under
way between January 15 and Jan-
uary 31, has already begun to lay
plans for the successful culmi-
nation of the drive here.

Inzer has conferred with co-
workers and will set a day for a
dawn-to-dusk whirlwind campaign
which gives assurance of being
successful as other worthy pro-
jects have been in Hamlin.

The threat of polio looms great-
er on the horizon and the March
of Dimes agency has done out-
standing work in the combatting
of the disease. Outlines of the
channels through which the fight
is conducted brings home the fact
that such an agency is of prime
importance in the control of the
spread of the disease.

Particularly gratifying to the
contributors to a fund of this
sort is the fact that records re-
veal that over 78 per cent of the
funds contributed are actually used
in treatment and patient care.
Lack of an over-balance in admin-
istrative cost presents a strong
appeal to the contributor.

Inzer has been assured that he
will have the full cooperation of
his solicitation committees.

Capt. Greenway Home From W. A. F. Service

Captain Carolyn Greenway,
daughter of Mr. and Mrs. Roscoe
Greenway of Hamlin, was a holi-
day visitor to relatives in Ham-
lin. She arrived December 23.

Captain Greenway is a mem-
ber of the Women's Air Force
and is on duty at the Pentagon
Building in Washington.

She has been continuously in
the service since 1942. Captain
Greenway left Tuesday for Lack-
land Air Base in San Antonio,
from whence she flew back to her
duties in Washington.

Hawkins Chosen Banner Manager

Elmer Hawkins, longtime Syl-
vester merchant and former op-
erator of the Drive-Inn cafe, has
accepted the post as manager of
the Hamlin depot of the Banner
Dairies.

Hawkins assumed the post at
the opening of business Tuesday
morning and no other changes in
operating personnel are contem-
plated.

Appointment of Hawkins fol-
lows the resignation of Onis
Crawford after Crawford's pur-
chase of a participating interest
in the D. & H. Department store.

Snyder Engages Pipers In Home Opener Ninth

Snyder's High School Tigers
are scheduled for appearance at
Hamlin Tuesday, January ninth,
in the first home appearance of
the Pipers in district basketball
play.

The Snyder cage quintet show-
ed evidence of latent ability in
their appearance at a tournament
held here prior to start of play
for keeps and indications are that
they will provide sturdy opposi-
tion to the Pipers.

Tommy Woods Back At Reynolds Drug

Tommy Woods has returned to
Hamlin to assume charge of the
prescription department at Rey-
nolds Drug. Woods reported for
duty Wednesday and immediately
greeted friends of long standing
at the Reynolds store.

Woods was employed in the
Reynolds store fifteen years ago
and has noted many changes in
the business complexion of Ham-
lin since his tenure here.

He expressed his pleasure at
retiring from impersonal contacts
as experienced in Fort Worth for
the more friendly atmosphere of
Hamlin's patrons.

The youngest signer of the De-
claration of Independence was
Edward Putledge of South Car-
olina, who was 27 years of age.

Hamlin. The show is to be held
in Hamlin this year on Saturday,

Blankenship reported a balance
of \$129.00 in the prize fund from
last year's special collection and
it was stressed that a supplement-
al fund will have to be raised to

each of the three towns to pay
expenses of the show.

The following teams were ap-
pointed to conduct the fund soli-
citation: W. T. Johnson and W. R.

tional Agriculture Department

Reynolds will supervise the dairy
cattle.

charge of the sheep and lamb
division.

I. R. Witt is to be superinten-
dent over capons.

Tommy Stewart of Sylvester is
to judge beef, cattle and swine.
F. W. Martin, county agent of
Haskell County is to judge dairy
cattle and sheep. Stewart and
Martin are rated as the most ca-
pable judges of livestock in this
whole area and they will add sta-
ture to the FFA show.

It was voted by the committee
to extend invitations to breeders
of show stock to display along
with the FFA boys for whom the
show is staged.

Mickey Scott Missing Says Marine Advice

The far reaching affects of the
strife in Korea were felt in Ham-
lin as a community on Thursday,
December 28, when Mrs. Frances
E. Scott was advised that her son,
Mickey Kenneth Scott, had been
reported missing in action.

The following telegram was re-
layed to Mrs. Scott:
Mrs. Frances E. Scott,
Hamlin, Texas.

"Deeply regret to inform you
that your son, PFC Mickey Ken-
neth Scott, USMC, is missing in
action since November 27, 1950,
in Korean area in the performance
of his duty and service to his
country. I realize your great an-
xiety but details not available and
delay in receipt thereof must be
expected. Letter follows.

C. B. CATES, General, US-
MC, Commandant of the Ma-
rine Corps."

The red-haired Mickey is well
remembered by citizens of Ham-
lin and they unite in their hopes
that he will be discovered un-
harmcd.

strong, Junior Architectural stu-

GOOD HEALTH

Answer to Question No. 1:

1. The causes of rheumatic
fever are now so effectively
treated by new drugs that the
rheumatic fever death rate is
only one-fifth what it was in
1920. Most of the improvement
has been accomplished in the
past ten years. But take no
chances. It's still very danger-
ous, especially because of its
serious effect on the heart.

Answer to Question No. 2:

2. Furnishings, from bib to
crib, cost about \$300 on a na-
tional average and medical care

and hospitalization come to
about \$255, a minimum which
varies with local factors. Pre-
payment insurance like Blue
Cross and Blue Shield can re-
duce the medical cost—at the
beginning and throughout the
child's life.

Answer to Question No. 3:
3. Cytology—the study of liv-
ing cells—permits early detec-
tion of uterine cancer, of which
20,000 women in the United
States and Canada die each year.
Early detection is the only good
bet in the cure of cancer.

It's Time to Personalize Your Home

MANY people today have more skill as house-furnishers than as home-makers. Intent upon the efficiency and space-saving necessary to modern living, they forget to add the final small touches that give a house personality.

Perhaps grandmother overdid things—but when you walked into her house you could tell whether she was handy with her crochet needles, or whether her talents ran to china-painting and indoor cultivation of geraniums.

No matter how handsome a decorator's sketch may appear, it's a mistake for you to copy it in every detail. Your home should reflect you—and your own individual likings.

In today's hustle and bustle, take time for little extras. Cover your stools with needlepoint, if that's your taste, or your walls with impressionistic paintings if your leanings are more modern.

Take your favorite pitcher out of your china cupboard; fill it with flowers and place it on the hall table for everyday enjoyment.

Hang that handsome plate you received for a wedding present upon the wall, instead of hoarding it for semi-annual dinners.

It's a good idea to strive toward graciousness as well as personality in your house. To make your guests like you, as well as your home, remember small courtesies like fresh fingertip towels in the bathroom, books on the bedside table, or a special set of cosmetics in the drawer of the guest-room vanity.

This guest enjoys her stay in a house that has both personality and graciousness. Fingertip towels, fresh daily, add to the home's hospitable atmosphere and enhance the decor of the bathroom.

BAKING SODA CLEANS TEAPOT

Wintertime is hot tea time! Follow the rules for a tasty brew, but first make sure you've a clean fresh teapot. Rinse the pot with baking soda — 3 tablespoons to a pot of water — after each use. To clean the spout, wrap a piece of damp paper towel around a skewer, dip it into moist soda and then dig into the spout from inside and out. Rinse well — and you're off to another pot of delicious tea.

Bruner Reunion Event Of Holiday Season

A holiday event gladdened the heart of Mrs. L. B. Bruner when 10 of her children assembled for a reunion. This marked the first time in 20 years that the group had been together.

Present for the event were: Mrs. Fred Mayfield, of Long Beach, Calif.; Lefler Bruner, of Phoenix City, Alabama; Mrs. Gay Fletcher, Alpine, Texas; Horace Bruner, Oklahoma City; and Edith Williamson, Oklahoma City.

Also present were Mrs. Ed Johnson, Mrs. Loy Fry and Roy, Eli and Sam Bruner, all of Hamlin.

Studies by veterinarians have shown that riboflavin, a vitamin B, protects horses against "moon blindness," but no vitamin or drug will cure horses already affected with the disease.

The fellow who used to walk a barbed wire fence barefoot with awldeat under each arm, is now married to a little red-headed woman who makes him do the dishes three times a day.

The signature of one of the signers of the Declaration of Independence, Button Gwinett of Georgia, once sold for \$51,000.

Can you name your governor? If you said Allan Shivers you're past the first test. Let's go on to the next one. Who is your Lt. governor?

Some of you were eliminated by that question, but many Texans recall that Ben Ramsey of San Augustine defeated Pierce Brooks of Dallas for this office in a campaign last August. Let's have a hard question.

Who is the man most likely to be named Speaker of the House of Representatives?

The answer, Reuben Senterfitt of San Saba. His election is assured by the pledges of the House and by the fact that he has no opposition. The Speaker, you know, is elected by his fellow-representatives, and not by popular vote. He is one of the most powerful men in the state government; his influences compares with that of the governor and Lt. governor.

What kind of a man is Reuben Senterfitt, who will occupy this important position in the Legislature which begins its session this month?

He is a native of San Saba County, where his grandparents settled over 100 years ago. He lived on a farm-ranch and went to a two-teacher school. He received various honors at the University of Texas, Austin and served his district while in the Navy. He has served on many important committees and served as chairman. He is married and has three adopted children and believes that only responsible people must serve in public office if the state is to have good government.

After the renowned pair, shown between scenes on a Hollywood lot, complete the assignment, Evans will return to Broadway for a part in another Shakespearean play.
